ABOUT THOMAS HOUSE

Welcome to the Ninth Annual Walk-a-Thon! You are invited to participate as THOMAS HOUSE enters its 26th year of helping homeless families with children in Orange County.

Thomas House Temporary Shelter was founded in 1986 by a group of friends who came together out of a shared concern for the growing number of homeless families. The original shelter consisted of just one apartment unit in the Buena Clinton neighborhood of Garden Grove. In order to address the growing demand for service, the shelter soon grew to include the entire building, and eventually expanded to also include the building next door. In 2003, Thomas House purchased both properties. Thomas House has continued to strategically expand, strengthen and refine the program in order to remain responsive to current needs in the local community.

With your support, Thomas House can continue to provide a safe, supportive environment and the resources necessary for homeless families with children to remain together while empowering them to become independent and self-sufficient.
